Overview A naked Princess in a dark forest. A bellowing dragon. An angry bear. A hooded man. They're not there to rescue you. It's not that kind of fairy tale. You're about to embark on a real fairy tale, one that no one has ever experienced before. Dragon's Crown: A Steam Early Access Game is a brand new adventure with characters, quests, spells, and lots of loot. A true game of roguelike gameplay. No two runs are the same. Every time you take up the blade, you get the chance to try something new. Every time you die, you get the chance to try something new. You won't find the same characters or items twice. Simple, beautiful graphics. A fantasy theme. An epic story. The tools to craft your own adventure. A game that you can share with friends. A boy on a quest to free his imprisoned princess from the clutches of a mysterious villain. A dark sorceress whose evil plans will push him to the edge of sanity. An aging warrior who has lost his memory and is being pursued by a sinister witch. And the bear and the dragon, who want their bodies back. And who all know who you are. And they want you to die. This content requires the base game Dragon's Crown. The Nightmare: The Witch of the Icelands Return to a dark version of Sancriste. As the events of Dragon's Crown unfold, your search for truth leads you to the mysterious lands of the Icelands. Don't expect to find friendly towns or helpful peasants. You will encounter many enemies, and the people of this frozen continent have no mercy when it comes to a wrong move. You'll experience the chaos of nightmares. This is the tale of the Nightmare. This is the Nightmare, where monsters wander the land and traps lurk in every dark corner. This is a world where not even the King's arm can keep order. This is the nightmare. The Heroes of Auroria In Dragon's Crown, you're not just one hero—you're a team. Put together 82157476af
